Protea 4x4 Adventures has designed a training course that is aimed at enabling you to make use of your vehicle in the way that it was designed to be used as a fun, exploration tool. Join us for a day at the Rhino & Lion Nature Reserve in the Cradle of Humankind World Heritage Site, Mogale City.

As a new member to the FIAT Family you can join us for a FULL-DAY'S training at R2 450 per driver. Should you wish to bring additional guests/children; a cost of R350 per person will apply payable in cash on the day.

The itinerary for the day will be as follows:

09:45 Registration and Welcoming drinks (Coffee/Tea/fruit juice) at the Protea 4x4 Track.
Theoretical discussion on sound off-road principles and the workings of your vehicle's four-wheel drive systems and traction aids.
Depart on the first part of the 4x4 orientation section.
This section – an off-road game drive – serves to get you accustomed to the way that your vehicle reacts in various off-road situations and the correct 4x4 selection to be used for maximum traction and stability. The engaging and the operation of all the four-wheel drive systems and traction aids that your vehicle offers will be practiced during the first part of the day.
The aim is to put the morning's theory into practice and to engage the correct four wheel drive system for specific types of terrain.

Break for a light lunch with refreshments at the Kiosk area of the nature reserve.

Arrive back at the Protea 4x4 Driver Training Academy; a eco-friendly / vehicle friendly obstacle course, simulating most of the off-road conditions (with water & mud crossings, C-Saw bridge, ascending & descending sections, rocks, cross-axles, wooden bridges, mini pass and plenty more) found in Southern Africa awaits you. Designed to practice you're newly gained off-road skills and to put your vehicle through its paces. Preparing you for all those long planned expeditions you have planned into the Great African Outdoors.

Demonstration covering:

- Suggested vehicle recovery procedures, river crossing methods and Eco-friendly off-road driving techniques.
- Vehicle Accessories, Tyre Selection and suggested tyre pressures to be used for different types of terrain.
- Gear and Line selection in various scenarios including water fording, hill descends and ascents as well as Cross-axle situations to mention just a few of the breath-taking experiences you will experience on the day.

15h00 Handing out of your Protea Certificate of Competency – your certificate can be presented to your short-term insurer in order to qualify for a possible discount on your insurance premium. You will also qualify for special deals at; Frontrunner vehicle outfitters, Opposite Lock- Tough Dog suspensions, Lightforce, TyreMart for BF Goodrich/Michelin tyres, Conqueror Off-Road Campers and more.
It's also your passport to endless adventures with your Fullback.
