

Off-road Towing course

Booking Form: Off-road towing course

Protea Safari Tours recommends that you attend a 4x4 training and towing day at Protea 4x4 Adventures to familiarise yourself with your new off-road trailer/caravan. During this one-day course you'll be taught the correct driving and towing techniques.

Name of driver: _____

Number of passengers: _____

Vehicle: _____ Trailer/caravan: _____

Sales person's name: _____ Dealership name: _____

Cell no: _____ Registration no: _____

Email address: _____

Protea 4x4 Adventures & Conqueror Off-Road Campers has designed a training course aimed at enabling you to make use of your vehicle, trailer/caravan in the way that it was designed to be used – as a fun exploration tool. Join us for a day at the Rhino & Lion Nature Reserve in the Cradle of Humankind World Heritage Site, Mogale City.

The cost of the 4x4 off-road towing course is R3 250 Should you wish to bring additional guests/children; a cost of R350 per person will apply payable in cash on the day.

The itinerary for the day is as follows:

09:45 Registration and welcome drinks (coffee/tea) at the Protea 4x4 track
 Theoretical discussion about sound off-road principles and towing an off-road trailer or caravan
 Depart on the first part of the 4x4 orientation section with your vehicle and trailer or caravan
 This section – an off-road game drive – helps you get accustomed to the way your vehicle reacts in various off-road situations when towing a trailer or caravan. We put the morning's theory into practice and show you how to select and engage the correct four-wheel drive system for specific types of terrain.

12:00 Break for a light lunch, refreshments at the nature reserve's restaurant.
 Depart on an eco-friendly off-road trail, simulating most of the off-road conditions found in Southern Africa
 The trail includes water and mud crossings, ascending and descending sections, rocks, cross-axle sections and wooden bridges, preparing you for all those expeditions that you have planned into the great African outdoors.

Aspects that will be covered:

- Preparing your off-road trailer/caravan for a safari
- Vehicle, trailer and caravan accessories
- Tyre selection and suggested tyre pressures for different terrain
- Gear and line selection in various scenarios, safe towing suggestions
- Suggested vehicle/trailer recovery procedures

15:00 Protea Certificate of Competency handover

Your certificate can be presented to your short-term insurer in order to qualify for a possible discount on your insurance premium.
 This certificate will also entitle you to a free inspection service of your off-road trailer/caravan at Conqueror Connection JHB North Gate, Midrand within two weeks after every off-road trip.
